Hookah Cafe Indian Cuisine Wednesday July 20 2005 Party

We will eat dinner here at 7PM. Lazy sprawls of Hookahs, Sitar, cocktails and the obligatory good food. Relax. Smoke Hookah and retire early for the evening.

Kam Cafe Thai Cuisine Thursday July 21 2005 Party

Starting at 7PM. At 11PM a band will start playing upstairs. Upstairs is known as the Dragons Den. There is nothing better than having a band rocking, drinks clinking and the entire room swaying to the music.

Le Bon Temps Roulé Friday July 22 2005 Pub Crawl

There is no "official" party. New Orleans does not really start happening until about 11PM. There are a few places to grab a bite to eat and maybe walk down to Bourbon Street.
